"Learning as if we were to live forever"

Chloe represents Beckom at Regional Athletics Carnival in Albury

Last Friday, Chloe Andrews represented the school at the PSSA Regional Athletics Carnival in Albury. It was a rare cold and wet day which made conditions difficult for Chloe in the high jump event. A huge congratulations to Chloe on jumping 105cm. Although she did not qualify for the State Athletics Carnival, Chloe represented our school in a very positive manner and we all congratulate her on making it to Regional level.

NAPLAN Online Readiness Test

This Friday, Year 5 students will sit the NAPLAN Online 2018 Readiness Test. This is to determine the school's readiness in regards to technology in the transfer to the online NAPLAN testing system. No results are assessed from this test however it is good exposure and practice for when students have to sit NAPLAN in the live format.

Premier's Reading Challenge

Miss Goonan has finished logging all the books that we have been reading at school since the beginning of the Premier's Reading Challenge in March. Each year the challenge encourages students to read a variety of texts from stage level booklists. Many of the texts logged are the quality texts which we have been reading for Science this term including Flood, Fire and Cyclone by Jackie French and Bruce Whatley.

Well done to Evelyn who was captured enjoying lots of Premier's Reading Challenge texts last week. Keep up the great reading everyone!
