

# Beckom Public School

*"Learning as if we were to live forever"*

## Remembrance Day: Monday 11th November

Parents and students have been invited to attend the Remembrance Day Service at the Soldiers Rooms in Beckom. Mrs Griffin will be the teacher on duty and the service will run from 11:00am to 11:30am.

## Students attend Borambola Sport and Recreation Camp

Our Year 3-6 students travelled to Borambola on Wednesday where they were joined by students from Naradhan, Weethalle, Rankin's Springs, Tallimba and Binya. It has been great to see the students catching up with friends they have made from previous excursions together. It is a three day camp with a very busy, action-packed program and as the pictures below show it is a very active and fun experience for everyone.

## Creative Arts Day at Naradhan

On Friday 15th November all our students will be attending the RIEN Creative Arts Day in Naradhan. Permission notes and lunch order forms have been sent home to families.

## Upcoming Dates to put on the calendar

Friday 22nd November: Cooking day for our Kids in the Kitchen event from 9:00am

Monday 25th November: School play prop/decoration working bee from 9:00am

**Name of school:** Beckom

**Suburb:** Beckom

**Question 3:** Choose the answer which best fits your description

**Question 4:**

Beckom Public School is a small rural school that has recently established a "Kids in the Kitchen" program where students engage in learning all about nutrition and paddock to plate concepts. We would love the school to be able to utilise the Grillex products to establish an outside teaching and learning area that links the school and community gardens and gives students a space to cook their products utilising the wonderful products like the Edge Barbecues, sink and the Street style table.

**Question 5:** Emma Speirs, Principal

Then enter your details and click "Finish".

Thank you for your support.

## TRIVIA CORNER

Toby Osborne was the winner of the children's trivia from last week and Josh Hawkins, Chloe Andrews and Matilda Osborne also answered correctly. The number between 1 and 5 on a dart board is 20. Unfortunately there were no correct answers for the adult trivia. The European capital which was once two separate towns on either side of the Danube was Budapest (Buda and Pest). Good luck with this week's questions:

### Adult question:

*Sherlock Holmes plays what instrument for relaxation?*

### Children's question:

*What had the crocodile in Peter Pan swallowed?*

# jokes

Why was the music teacher unable to open his classroom?
