"Learning as if we were to live forever"

Borambola Excursion

Last week students within our small schools' network travelled to Borambola for our annual Year 3-6 excursion. It was an action-packed excursion and the students were very well behaved. I received many compliments about how well mannered and polite all our students were. They represented their school, community and families with respect, responsibility and excellence.

Remembrance Day

On Monday 11th November our students participated in the Remembrance Day Service at the Beckom Soldiers Rooms. The students made a lovely Remembrance Day wreath at school and Mrs Griffin accompanied them to the service .

Online Educational Programs

Throughout the year staff incorporate online Educational programs to assist in the targeting of student outcomes. Many of these programs can be utilised by students at home and are encouraged as part of home learning tasks. Please complete the attached permission note and return it to school.

Kids in the Kitchen Day

Please see the attached permission slip for the students to participate in the Kids in the Kitchen day at the Beckom Hall. We are also having a preparation cooking day starting at 9:00am on Wednesday 20th November.

All community members are invited to attend the Long Table Luncheon on Friday 22nd November. Please RSVP as soon as possible if you are able to attend the event to make planning for the day easier.

Home Learning

Our main home learning focus for Term 4 is learning the lines to the school play and the music that accompanies the play. All students have received a copy of the play and the music to take home. Students are also encouraged to practise and build their stamina for skipping for the Jump Rope for Heart skip off event to be held in conjunction with the Long Table Luncheon.

Attendance: Every day counts....

Congratulations to all those students who are achieving 100% attendance for the term so far. There are times when students are sick or circumstances where students are unable to attend school. When absences occur, please ensure that you contact the school within 7 days to let us know so we can update our Department records with accurate information.

EVERY DAY COUNTS....
A day here or there doesn't seem like much, but...

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ a years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

Give your child every chance to succeed...

Every day counts!
