

# Beckom Public School

*"Learning as if we were to live forever"*

**Term 4 Week 6**  
**21st November 2019**

## Kids in the kitchen

We have unfortunately had to cancel our Kids in the Kitchen day. We are still having lunch at the school tomorrow which will be prepared by the students with the assistance of staff and parents. Lunch will be served at approximately 12:45pm. Danielle Garrett has offered to come in and create waxed sandwich covers in the afternoon and we will also be making props and backdrops for the school play. In the morning, weather permitting, we will complete our Jump Rope for Heart skip off.

## School Play

Students are currently learning their lines and songs for the annual school play which will be performed at our Presentation Night on Friday 13th December. Scripts have been sent home for students to practise.

## Students travel to Naradhan for Creative Arts Day

Last Friday our students travelled to Naradhan to take part in the Small Schools Creative Arts Day. Matilda enjoyed flower painting with water colours, making pottery bowls and doing pencil sketching. Charles enjoyed making a clay echidna in pinch pot, painting a sonic and participating in 'Just Dance'.

*Mrs Emma Speirs*

Kindergarten orientation

## STUDENT OF THE WEEK

### Ryan Waters

for taking on feedback in his swimming lessons to progress in his learning

## CREATIVE ARTS DAY AT NARADHAN

# The simplest way

... to be SunSmart this summer.

Consider UV levels when planning your summer activities.

When UV is 3 or above you need to **PROTECT** your skin in 5 ways:

- Slip on sun-protective clothing
- Slop on SPF 30 sunscreen or higher
- Slap on a broad-brimmed, bucket or legionnaire hat
- Seek shade
- Slide on some wrap-around sunglasses

Download the free SunSmart app to know what the UV levels are in your location to help plan your summer fun.

SunSmart App is available on the App Store and Google Play

To help keep your kids safe in the sun, check your schools SunSmart status by heading to [www.sunsmartnsw.com.au](http://www.sunsmartnsw.com.au)

## joke

Why did the banana go to the doctor?

It wasn't peeling well!

## TRIVIA CORNER

Chloe Andrews was the winner of the children's trivia from last week and the runners-up were Megan Waters and Matilda Osborne. The game of Tic, Tac, Toe is also known as Noughts and Crosses. The adult trivia was won by Mark Osborne. Laos is the country found between Thailand and Vietnam.

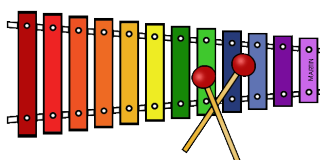

Good luck with this week's questions:

### Adult question:

The constellation Crux is better known as what?

### Children's question:

To which group of instruments does the xylophone belong?

## COMMUNITY NEWS

### Beckom Public School
