

Beckom Public School

Seize the Day

Presentation afternoon next Tuesday

Our Presentation afternoon will be held at 2:00pm on Tuesday 15th December. The presentation will be held under the COLA in the school grounds. The annual school play has been recorded and the first public viewing will take place during the presentation. Please note also that Yearbooks will be on sale for \$5.00. We look forward to having parents and families at the school for this event. Please bring your own afternoon tea/picnic to enjoy whilst watching the play.

Last day of school activities

Wednesday 16th December will be the last day of school for 2020.

On Wednesday morning the students will be rewarded with a High Tea for earning 150 positive behaviour for learning points. The school will provide the refreshments for the morning tea and the students will also be watching a Christmas movie as part of the reward.

Weather permitting, students will be travelling to the pool on Wednesday afternoon. School books will also be sent home on the last day. Parents might like to send in a calico bag for this purpose. Please contact me at the school if you would prefer the books to be put in the school recycling.

This is our last newsletter for 2020. The last day of school for students is Wednesday 16th December. School will resume in 2021 on Friday 29th January.

I would like to take this opportunity to wish all our readers a safe and happy Christmas.

Changes to end of year Presentation

Presentation will look a little different this year and it will proceed with a COVID safe plan. Invitations have been sent out to immediate family members only. We will record the annual play which is Frozen 2 this year and we plan to have a first time viewing of the play at the presentation. Please ensure that you RSVP to this event so that we can ensure we stay within the COVID safe guidelines. The presentation will take place at the school from 2:00pm to 3:00pm on Tuesday 15th December. This will be an outside event to ensure spacing requirements are adhered to. Please bring your own food and drinks (no alcohol permitted).

Family attendees and staff must not attend the event if they have any respiratory or COVID-19 symptoms. Attendees will need to sign an external visitors form on the day. A copy of this form is attached to the invitation.

If you cannot attend the presentation, due to illness, staff will record the ceremony and the school play and upload them to the students' google classroom.

Picnic rugs will be available to enable families to maintain a four metre distance from each other. Families will also be asked to follow NSW Health physical distancing rules i.e. 1.5 metres of physical distance between non-household contacts.

We will stand and sing the National anthem with face masks (provided).

We will ensure that hand sanitiser will be available and located in key areas for family members.

TRIVIA CORNER

A big thank you to all the readers who supported the weekly trivia competition in 2020.

Matilda Osborne was the winner of last week's trivia. The wide brimmed hat often associated with Mexico is a sombrero. The adult trivia was won by Linda Griffin. Opal is the birthstone for the month of October.
