"Learning as if we were to live forever"

Matilda Osborne is representing our school today at the Zone Swimming Carnival in Barellan. Matilda was awarded Senior Girl champion at the Small Schools Carnival in Ganmain last week. We congratulate Matilda on her swimming efforts in Ganmain and we wish her the very best of luck in her events today.

It has been a productive week in the classroom. Students have been researching Australian native animals and constructing information reports so that they can teach a friend. They have been fascinated by all the interesting animals we have here in Australia.

Tomorrow, Sally Russell, the Education Officer at Lake Cowal Conservation Centre, is completing an incursion at our school. Students are learning all about lifecycles, adaptations and features of insects and animals. We are very fortunate to have access to such a great teaching resource and the variety of hands-on activities Mrs Russell will engage the students with.

Thank you to Danielle Waters for bringing in her abundant seed assortment for us to look through so we can construct a plan for our vegetable garden. We are looking at starting our 'Gardening Club' on a Monday during second break from 1:30pm to 2:00pm. Parents are welcome to come and participate in gardening with the students. We are very excited at the prospect of getting our seeds sown and our plants ready for cooking.

INTENSIVE SWIMMING LESSONS IN ARDLETHAN

Measurement in Maths

Chloe and Matilda demonstrate how long they can make a mintie wrapper.

TRIVIA CORNER

The winner of last week's children's trivia was Matilda Osborne. There are 366 days in a leap year. The adult trivia was won by Barbara Weise. Shakespeare's Hamlet was Prince of Denmark.

Good luck with this week's questions.

Adult question:

What is the maximum number of clubs that a golfer may take onto the course?

Children's question:

Elton John wrote the music for which 1994 Disney animated movie?
