What lovely weather we are having at the moment. It is nice to hear that the rain has been fairly consistent across the board.

Matilda and Chloe return from Young Leaders' excursion

Matilda and Chloe attended the Young leaders' Conference in Sydney on Monday. They travelled to Sydney by bus with students from Riverina schools. The girls enjoyed the opportunity to listen to some very inspirational speakers including John Coutis (leadership), Erin Molan (Media), Bianca Chatfield (Sport), Jade Slater (Social Entrepreneur and Host) and Rove McManus (Media).

Matilda:

I really enjoyed listening to the story of John Coutis. He was born with a severe physical disability and he was a victim of bullying at school but he has managed to overcome these difficulties.

Chloe:

I enjoyed the bus trip and the opportunity to spend time with other students from different schools. John Coutis was my favourite speaker too. He is a very funny man.

STUDENT OF THE WEEK

Ryan Waters

For encouraging others to have a growth mindset

Technology Club

This week saw the start of Technology Club. Ryan Waters has taken on the running of this club once a fortnight during break time to show leadership and share his knowledge. It was great to hear him encouraging the students to have a growth mindset when faced with challenging aspects and to also see the effort he put into breaking up the learning for all the students from Kindergarten to Year 6. Well done Ryan.

School Development variation

This week, teaching staff conducted training after hours in Instructional rounds with the RIEN network of schools. We will also be completing CPR and Anaphylaxis training after hours on Thursday 26th March. These training sessions will vary school development at the end of the year (18/12/2020). The last student day of Term 4 is Wednesday 16th December.

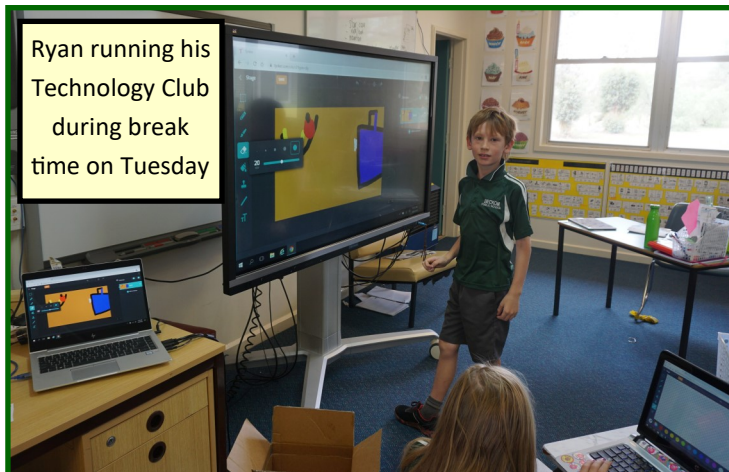

Attendance

Attached with the newsletter today is the compulsory school attendance brochure for parents. We have also included absence slips to assist with communication of absences.

TRIVIA CORNER

The winner of the children's trivia from last week was Matilda Osborne. A baby elephant is called a calf. Barbara Weise was the winner of the adult trivia. Edmund Hillary and Tenzing Norgay reached the summit of Mt Everest in 1953.

Good luck with this week's questions.

Adult question:

What is the surname of Anne of Green Gables?

Children's question:

How many seconds are there in 7 minutes?
