Students revising learning and completing assessments

We have had a very productive Week 7. This week students have been revising learning and completing assessments as well as engaging in their next steps of learning.

A reminder that student self-assessment reports were sent home last week and included a parental response section. If parents could please complete this form and return it to school, that would be appreciated. Parental feedback is respected and it is an important link in our collaboration between school and home. With the current restrictions due to the COVID-19, we are unfortunately unable to schedule normal parent-teacher interviews. We would however, like to offer parents interviews via telephone or zoom meetings. These interviews will be offered on Monday 29th June, Wednesday 1st July and Thursday 2nd July (Week 10) with both Emily Kent, our second teacher, and myself. Please ring the school to make a booking.

Every day counts.....

Attached to the parent copies of this newsletter is an information sheet regarding attendance. If your child is absent from school at any time, please let us know the reason for their absence. This can be done by sending a note, text message or email or alternatively you can ring the school.

Garry Bazzacco at Beckom next Tuesday to take school photos

We are very lucky to have Garry Bazzacco coming out here next Tuesday 16th June to take our school photos. School photo order envelopes were sent home last week with the newsletter and they need to be returned as soon as possible. Please note **NO LATE ORDERS WILL BE ACCEPTED.** A reminder also that students need to wear their formal winter uniform for the school photos. Students can wear casual clothing to school next Monday to ensure school uniforms are beautiful for Tuesday.

The adult trivia was won by Janet Popple and correct answers also came from Mark Osborne, Jim Bundy and Debbie Andrews.
