

Beckom Public School

Seize the Day

Education Week!

Education Week is the annual celebration of NSW public education and the achievements of local schools and students. This year, the theme is 'Learning together'.

On Monday we watched a live stream of the 2020 Education Week launch. On Tuesday we enjoyed participating and learning about Aboriginal languages with other NSW public schools via a livestream presented by the Department of Education. On Wednesday, Matilda and Chloe were presented with their leadership awards by Mrs Karen Burke, Director Educational Leadership, West Wyalong Network. The Year 6 students presented a speech about their leadership experience so far this year and their goals for the future. Instead of shaking hands, the girls gave Mrs Burke a COVID safe elbow tap.

Today parents and carers have the opportunity to participate in a webinar delivered by the P & C Association. This session is designed to support parents and carers to engage with their children's education by introducing them to the technology most commonly used by the Department of Education to support teaching and learning in schools and to facilitate online learning. Register your interest at: https://us02web.zoom.us/webinar/register/WN_w-af-xBkSTyLn2x3mNJJsMg

Tomorrow (Friday), we will participate in the conclusion of Education Week by presenting students with their achievement awards and uploading an online assembly, on Google Slides within the student Google Classroom. Parents will be able to view this assembly through the Department of Education student portal. Students will need to login for parents to access the online assembly.

P & C Meeting

Our P & C will be holding a meeting via zoom on Tuesday 11th August at 3:45pm. If you would like to participate in this zoom meeting, please contact the school or our P & C President, Renee Osborne for further details.

Leadership Awards.

Learning together

In this year of bushfires, floods and COVID-19, the key messages of Education Week are:

Schools are the cornerstone of communities

Parents and carers are our partners in learning. Schools and families benefit from strong, respectful relationships where responsibility for student learning is shared.

Change and resilience

Our teachers and students are lifelong learners, collaborating in a positive learning environment to achieve their best. Learning together makes us strong and creates resilient communities.

Connect better and learn together

Our school staff are dedicated professionals who know, value and care for all students. Technology enables learning together anywhere, any time.

Caitlin and Alexis building a house for the Three Little Pigs and Matilda and Chloe watching a Department of Education livestream on Aboriginal languages.

TRIVIA CORNER

Alexis Hawkins was the winner of the children's trivia from last week and the runner-up was Caitlin Waters. Cinderella was required to leave the ball by midnight. The adult trivia was won by Linda Griffin and correct answers also came from Elizabeth Menzies, Janet Popple and Jim Bundy. The oldest and richest professional foot-race in Australia is the Stawell Gift. Good luck with this week's questions.

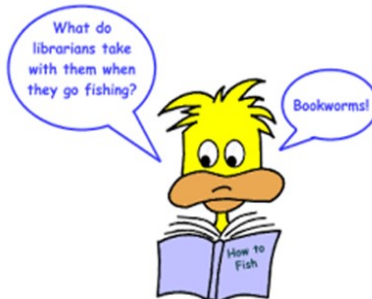

Adult question:

How many kilometres long is a marathon?

Children's question:

Rocket Raccoon is a member of which group of superheroes?

JOKE WEEK

PLEASE REMEMBER
TO BRING YOUR
LIBRARY BAG AND
RETURN
BORROWED BOOKS
EACH WEDNESDAY!
