Seize the Day

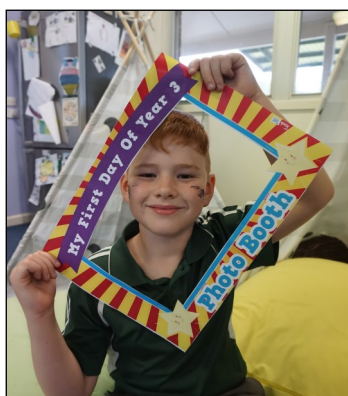

A New Year of Learning Begins

Welcome to 2021. We are very excited to have such a strong start to the school year with students returning to the classroom on Friday 29th January. I hope that everyone enjoyed their holiday break and were able to spend time with family and friends.

We are very excited to welcome Denise Harrison to our team. Denise will be teaching each week from Tuesday through to Friday.

This week, students have settled into routine, organised their books and started their learning journey. I am looking forward to seeing their growth this year. I am also excited about a productive year where we can all work together as a team to provide the best education for our students.
